

Be Second to None
in Its Ability to Yield Highest Quality
HPMC Vegetarian
Capsule

A Company Like No Other

Healsee is the world's first and only vertically integrated manufacturer of HPMC capsules.

What sets us apart?

As an independent producer of HPMC vegetarian capsules, Healsee is part of the Head Co. Ltd. group, Asia's largest and most internationally-focused producer of HPMC for the food and pharmaceutical industry. Our production processes comply with strict GMP standards.

Safety and Traceability

Ongoing testing for more than 500 contaminants.
In house production of raw materials.
NSF-GMP, BRC, ISO, Kosher and Halal certified manufacturing process.

Extremely Fast

Temperature- and humidity-controlled warehouses at strategic locations.
Our standard capsules can be delivered within 3 working days to all locations in Australia, Europe and North America.
